

# Paulinho Pedra Azul - Uma Luz Na Escuridão

Tom: C

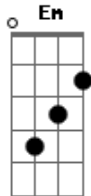

Vou olhar pro mundo, um olhar profundo  
 Uma luz na escuridão  
 Brilho de ternura, uma beleza pura  
 Uma linda emoção  
 Vou de vagarinho, feito um preguiçoso  
 Ou um passarinho azul  
 Busco apenas as estrelas  
 Ah quem dera Eu fosse estrela  
 Que anda piscando ao léu

F G C A7 Dm  
 Eu seria um viajante, andaria sempre adiante  
 Procurando um novo céu  
 C Em Am Em  
 Vou de vagarinho, feito um preguiçoso  
 Ou um passarinho azul  
 Busco apenas as estrelas  
 Ah quem dera Eu fosse estrela  
 Que anda piscando ao léu  
 Eu seria um viajante, andaria sempre adiante  
 Procurando um novo céu
