Saturday morning I woke up  
And feeling something different  
Was my life!

I felt that I was new  
And feeling my happiness  
That's all right!

When you're feeling so good  
And change your mood  
Better things comes to you!

It's law of attraction!  
It's a perfection!  
It's the life!

Oh! I love myself!  
Oh! I love my life!  
Oh! I won't be sad!  
Cuz it's out of my mind!

Oh! I love myself!  
Oh! I love my life!  
I just want to share!  
All the way to be fine!

So when you wake up  
Smile to the earth  
Will be surprised!

You can think that I'm crazy  
Or think that I'm fake

Or being dramatic!

But I'm pleasing you  
I know you can do!  
It just need one try!  
Maybe life has no sense  
But you won't regret!  
You're the boss of your mind!  
Oh! I love myself!  
Oh! I love my life!  
Oh! I won't be sad!  
Cuz it's out of my mind!

Oh! I love myself!  
Oh! I love my life!  
I just want to share!  
All the way to be fine!

Close your and think!  
What is your dream?  
Where is your dream?

Take a deep breath  
And think!  
You living it  
Living your dream!

Oh! I love myself!  
Oh! I love my life!  
Oh! I won't be sad!  
Cuz it's out of my mind!

Oh! I love myself!  
Oh! I love my life!  
I just want to share!  
All the way to be fine!
