G  
 What I'm looking at is a young boy tryna live this new life  
 Finding out the way you like to style your new hair

C F Am G  
 Face your fears  
 To win the battle we call teenage, yeah

C F  
 I know it's hard  
 But you have many friends around you

C F Am G  
 Every rock I have to jump  
 It's a crazy road, would you think ??That's okay???

C F Am G  
 Every mountain I have to climb  
 Can show me who I meant to be

C F Am  
 Na na na na, oh oh  
 Na na na na, oh oh  
 Na na na na, oh oh  
 Na na na na, oh oh
