

Paulo César Baruk - Cinza Quarta, e Agora?

Tom: F

E agora que acabou o carnaval?
 E agora que a tristeza é sem igual?

E agora o que você vai fazer pra alegria pra alegria comparecer

Desfilando na avenida do teu ser
 E agora como é que vai ficar
 Se o pandeiro não mais tocar, o que pode te alegrar?

Sabe lá por onde andou e o que viveu
 Só Deus sabe quais caminhos você percorreu
 Cinza quarta, chora agora o coração
 Sofre sua solidão. Bate, se bate, deseja perdão

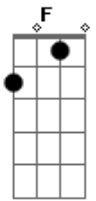

E agora que acabou o carnaval

Vol...ta! Há tempo
 Vo...lta! Vem correndo para os braços de quem sempre te amou
 Jesus sempre te amou

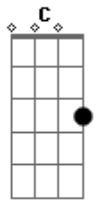

Sabe lá por onde andou e o que viveu
 Só Deus sabe quais caminhos você percorreu
 Cinza quarta, chora agora o coração
 Sofre sua solidão. Bate, se bate, deseja perdão

Vol...ta! Há tempo
 Vo...lta! Vem correndo para os braços de quem sempre te amou
 Jesus sempre te amou
 E agora que acabou o carnaval
