

Paulo Roberto - Hino à São Camilo de Léllis

Tom: G

1. Lá no céu a ti se entoa, oh Camilo, hino imortal
 E brilhante uma coroa, orna a frente patriarcal
 Regozija-te glorioso, grande herói no teu Senhor.

Refrão: Salve, apóstolo zeloso, salve, serafim de amor.

2. Quantos filhos destemidos, pelejando ao teu pendão
 Em teu nome sempre unidos, alcançaram galardão
 Bando forte e numeroso, imolou-se pela dor.

Refrão

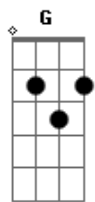

3. Cá na terra outra fileira, eco faz de bons irmãos
 Desfraldando uma bandeira, gloria eterna dos cristãos
 Traz no peito caridoso, cruz vermelha e santo ardor.

Refrão

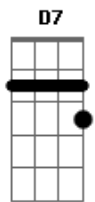

4. Dos doentes, dos que morrem, ouve o grito de aflição
 Nos perigos que eles correm, de ti esperam salvação
 Anjo doce carinhoso, deles sê consolador.

Refrão
