

# Paulo Sérgio - A Busca

tom:

Intro: C

Eu te busquei por caminhos  
 Pisei em espinhos, em vão, procurei  
 Eu busquei teus carinhos, mas no teu ninho  
 Eu não te encontrei, eu te busquei nos meus sonhos  
 Com toda ternura e amor que eram meus  
 Mas tudo que eu encontrei  
 Foram restos humildes, do teu triste adeus  
 Eu te busquei nos regatos, riachos e mares

Porém não te vi, e a minha busca foi vã  
 Pois ao te procurar, eu também me perdi  
 Eu te busquei nos meus versos  
 Pois foi entre eles que eu te conheci  
 Eu te busquei nas estrelas, porém, só de vê-las  
 Me entristeci, em vão, busquei teu calor  
 Mas me desesperarei pois teu sol, te escondeu  
 Eu te julgava perdida, mas erreí afinal  
 O perdido fui eu, eu te julgava perdida  
 Mas erreí afinal, o perdido fui eu
