

# Paulo Sérgio - Você Diz Que Me Amou

tom: G

[Intro] G A7 Am D7 G

Você diz que me amou e se apaixonou <sup>G7</sup>

Logo assim que me viu <sup>C Am</sup>

E eu acreditei, pois motivos achei <sup>D7</sup>

Na verdade, me apaixonei <sup>G D7</sup>

E bastante feliz, muitos planos eu fiz <sup>G7</sup>

<sup>C Cm</sup>

De um futuro pra dois

Você foi tão cruel e me desiludiu <sup>G Em Am</sup>

Me enganou, me deixou, disse adeus e partiu <sup>D7 G</sup>

E levou a alegria que eu tinha guardada no peito <sup>G</sup>

Mas deixou um amor tão profundo tão puro e perfeito <sup>D7 G</sup>

Que o meu coração já não sabe mais te esquecer <sup>B7 Em</sup>

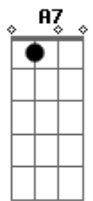

Só reclama, te chama, não sabe mais o que fazer <sup>A7 D7 G G7</sup>

( C Am D7 G D7 )
