

# Pawns Or Kings - Anymore

tom:

Intro: G D A Bm G D

A Oh the years have not been kind  
 They rush away just like sand  
 That's been caught up in a stream  
 Now the silence I can't stand  
 But I can't seem to break it  
 I always hoped that there was more  
 I open my mouth, but it's just noise  
 No I don't sing anymore

( G D A )  
 ( Bm G D )

A Oh the paper it just lays there  
 In a neat unblemished square  
 Though it's had so many words  
 It seems the author didn't care  
 'Cause those words went up in flames  
 Writing them down felt like a chore  
 That pen it weighs a thousand tons  
 No I don't write anymore

( G D A )

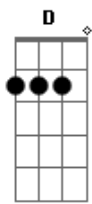

( Bm G D )

A Oh the wind used to feel cold  
 And the sunshine hot as hell  
 But now it all feels like a blur  
 Now I cannot seem to tell  
 Maybe the light is all outside  
 But years ago I closed the door  
 It seems I cannot find the knob  
 No I don't feel it anymore

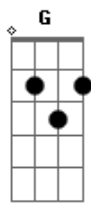

( G D A )  
 ( Bm G D )

A Oh the world seems to have lost me  
 Or maybe I just lost the world  
 It don't listen to me these days  
 And I can't catch the stones it hurls  
 Maybe it's got nothing to show  
 Just the sex, the blood, the gore  
 I used to think that it is more  
 No I don't know anymore  
 No I don't know anymore  
 No I don't know anymore
