

# Peach Tree Rascals - Mariposa

tom:

I can't wait for you  
 To come my way  
 I've been far away  
 But I'll keep runnin'  
 Just to find a way to you til' then  
 I been running from it  
 Tired of running from it  
 Scared of feeling something  
 Now I'm stuck  
 And tryna get up out of this hole  
 I tried to be strong  
 I tried to make it work  
 But I've been feeling so numb  
 Skies are bleeding on me  
 Why'd you leave me lonely  
 Feeling Whitney Stoney now I'm stuck  
 And wonder where I ever went wrong  
 How could I be strong  
 I'm fighting for your love  
 I can't wait for you  
 To come my way  
 I've been far away  
 But I'll keep runnin'  
 Just to find a way to you til' then  
 I don't see light in your love anymore  
 There ain't no reason in pourin a 4  
 I don't like feelings or feeling like running  
 From something and feeling so out of control  
 I know that the feeling is gone

I'm spending too much time alone  
 I'm hopin' you pick up the phone  
 And ring me when you wanna stay overnight  
 My shoulders right, my baby is all that I want  
 I'll play them all of my favorite songs  
 That lady is my favorite one  
 I can't wait for you  
 To come my way  
 I've been far away  
 But I'll keep runnin'  
 Just to find a way to you til' then  
 Ain't never gonna let ya go  
 Got my heart nascar racing  
 Shine ain't ever fading  
 He just left ya hangin'  
 Fiendin for ya love  
 All worth it for the waiting  
 Give you what you need  
 Take you where he won't  
 Can feel it when we're all alone  
 Know your wanting something more  
 My heart is like an open door  
 Just ring me when you wanna go  
 I'll wait  
 Till you're home  
 Hold a place till you're comin home  
 Show you where the garden grows  
 Just ring me when you wanna go  
 I can't wait for you  
 To come my way  
 I've been far away  
 But I'll keep runnin'  
 Just to find a way to you til' then
