

# Pearl Jam - Alright

tom:

Intro: <sup>G</sup>  
[Primeira Parte]

You can't hide the <sup>A</sup> lies  
In the rings of a <sup>E</sup> tree  
If your heart still beats <sup>A</sup> free  
Keep it for yourself <sup>E</sup>

When you want to <sup>A</sup> run  
And leave some part <sup>E</sup> unrevealed  
Like the flight of the <sup>A</sup> bee  
Keep it for yourself <sup>E</sup>

[Refrão]

It's <sup>G</sup> alright, to be alone

To listen for a <sup>A</sup> heartbeat,  
It's <sup>E</sup> your own

It's <sup>G</sup> alright, to quiet up

To disappear in thin <sup>A</sup> air,

It's <sup>E</sup> your own

[Primeira Parte]

Should your <sup>E</sup> living truth die <sup>D</sup>  
<sup>E</sup>

Could be an acid trip <sup>D</sup>  
Leave the eucharist whole <sup>E</sup>  
Keep it for yourself

If you tire of the <sup>E</sup> game <sup>D</sup>  
Hit the road towards the <sup>E</sup> clouds <sup>D</sup>  
Find the groove in the <sup>E</sup> sound <sup>D</sup>  
Keep it for yourself <sup>E</sup>

[Refrão]

It's <sup>G</sup> alright, to say no  
Be a disappointment in your <sup>A</sup> own <sup>E</sup> home  
It's <sup>G</sup> alright, to turn it off  
Ignore the rules of the <sup>A</sup> state,  
It's <sup>E</sup> your own

It's <sup>G</sup> alright, to shut it down

Disappear in thin <sup>A</sup> air,

It's <sup>E</sup> your home

It's <sup>G</sup> alright, to be alone

To listen for a <sup>A</sup> heartbeat,  
It's <sup>E</sup> your own

It's <sup>E</sup> your own

[Final]

You can't hide your <sup>D</sup> eyes

## Acordes
