

Pearl Jam - Amongst The Waves

Tom: C

^D
 What used to be a house of cards
^D ^F
 Has turned into a reservoir
^A
 Save the tears that were waterfalling
^A
 Let's go swim tonight, darling

^D ^F
 And once outside the undertown
^D ^F
 Just you and me, and nothing more
^A
 If not for love, I would be drowning
^A
 I've seen it work both ways

^G ^D ^A
 But I am up riding high amongst the waves
^G
 Where I can feel like I
^D ^A
 Have a soul that has been saved
^G
 Where I can feel like I've
^D ^A
 Put away my early grave

^C
 I gotta say it now
^G ^D
 Better loud than too late

 (D F)

^D ^F
 Remember back, the early days
^D ^F
 When you were young, and less amazed
^D ^F
 Suddenly the channel changed
^D ^F
 The first time you saw blood

^D ^F
 Cut to later, now you're strong
^D ^F
 You've bled yourself, the wounds are gone
^D ^F

It's rare when there is nothing wrong
^A
 Survived and you're amongst the fittest
^A
 Love ain't love until you feel it

^G ^D ^A
 Up riding high amongst the waves
^G
 I can feel like I
^D ^A
 Have a soul that has been saved
^G
 I can see the light
^D ^A
 Coming through the clouds in rays

^C
 I gotta say it now
^G ^D
 Better loud than too late
^C
 I gotta say it now
^G ^D
 Better loud than too late
 Hey...yeah...

 (A G D A)
^D ^A
 Riding high amongst the waves
^G
 I can feel like I
^D ^A
 Have a soul that has been saved
^G
 I can see the light
^D ^A
 Coming through the clouds in rays

^C
 I gotta say it now
^G ^D ^A
 Better loud than too late
^C
 I gotta say it now
^G ^D ^A
 Better loud than too late
^C
 Say it now
^G ^D
 Better loud than too late
