Tuning:standard

Simple PJ song! I listened to 2003 recording on Live at Benayora Hall to figure it out. I did not see a good tab for this little song so here it is. They are 3 guitars, but I think this sounds good if you just want to play it with one.  
Intro: /between verses

1b. mind at peace within your cell  
1d. I'll be watching as you breathe  
2b. My fingertips they close your eyes  
3b. All these mo-ments that I missed

chorus

1. I lie still, you move, I send  
2. There's a sun a-round the bend  
3. Please for - give and let me share  
4. How I want your soul to keep

hold F note let ring

Verses

1a. I am wishing you a well  
1c. Covers up, I cast you off

2a. I hold your head deep in my arms  
2c. Off you dream my little child

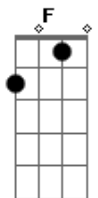

3a. All the evenings close like this  
3c. Please for - give me won't you dear

1. you off around the bend.....  
2. There's a sun around the bend.....  
3. with you around the bend.....  
4. on and on around the bend (END )

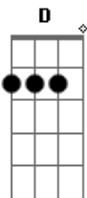

(go to intro after each chorus except the last one)
