

# Pearl Jam - Better Man

Tom: A  
Intro:

**D** Waiting, watching the clock, it's four o'clock  
It's got stop

Tell him, take no more she practices her speech  
As he opens the door, she rolls over  
Pretends to sleep as he looks her over

She lies and says she's in love with him  
Can't find a better man

She dreams in colour she dreams in red  
Can't find a better man

Can't find a better man

Can't find a better man Ohh....

Talking to herself there's no one else who needs to  
Know, She Tells herself, ohh...

Memories, back when she was bold and strong

And waiting for  
The world to come along, swears she knew it now she

Swears he's gone

She lies and says she's in love with him

Can't find a better man

She dreams in colour she dreams in red

Can't find a better man

She lies and says she's in love with him

Can't find a better man

She dreams in colour she dreams in red

Can't find a better man

Can't find a better man

Can't find a better man Ohh....

She loved him, yeah...

She don't want to leave this way

She feeds him, yeah...

That's why she'll be back again

Can't find a better man

Can't find a better man
