

# Pearl Jam - Comes Then Goes

<sup>E</sup>  
 High or low, where'd you go

Are you stuck in the middle?  
 A spectral invisible ghost

I'm here juxtaposed  
 Like images of angels in the snow  
 Our courage melts away, it comes then goes

<sup>E</sup>  
 Where you been? Can I find  
 A glimpse of my friend  
 Don't know where or when one of us left

The other behind  
 Divisions came and troubles multiplied  
 Incisions made by scalpel blades of time

[Refrão]

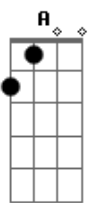

<sup>G</sup> <sup>A</sup> <sup>E</sup>  
 Comes then goes  
<sup>G</sup> <sup>A</sup> <sup>E</sup>  
 Comes then goes

<sup>E</sup>  
 Can I say, how ya been?  
 I can guess and conjecture  
 My altered perceptions unclear  
 Please interfere  
 Sadness comes with it a sea of tears  
 Would some love be best had it not appeared?

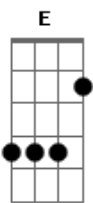

<sup>E</sup>  
 Is this you? Here I stand  
 Intense recollections of pain  
 Self-neglecting again

Like you, I keep it in

Thought you found a game where you could win  
 It's all vivisection in the end

<sup>E</sup>  
 High or low, try again

She fell off the altar  
 A vision you caught  
 Her but then

A woodcut in red  
 Wish it was not you that she had led  
 Selfish navigation with no end

<sup>E</sup>  
 Where'd you sleep? Can I find  
 A deeper connection

In the face of rejection I'm trying

I'm trying  
 Evidence in the echoes of your mind  
 Leads me to believe we missed the signs

<sup>E</sup>  
 Can I try, one last time?

Could all use a savior from human behavior sometimes  
 And the kids are alright

The Queen of Collections took your time  
 Sadness comes 'cause some of it was mine
