

Pearl Jam - Dance Of The Clairvoyants

tom:

Intro: Gbm D Gbm D Bm

[Primeira Parte]

Gbm
 Confusing it is
 To commotion
 D
 What love is
 To our devotion
 Gbm
 Imperceptibly big
 As big as the ocean
 D Bm
 And equally hard to control

Gbm
 So save your predictions

And burn your assumptions
 D
 Love is friction

Ripe for comfort
 Gbm
 Endless equations

And tugging persuasions
 D
 Doors open up
 Bm
 To interpretation

[Refrão]

D Gbm
 Expecting perfection
 E
 Leaves a lot to ignore
 B7
 When the past is the present
 D
 And the future's no more
 Gbm
 When every tomorrow
 E
 Is the same as before
 (Gbm D)

[Segunda Parte]

Gbm
 The looser things get
 D
 The tighter you become
 Bm
 The looser things get
 Tighter
 Gbm
 Not one man can be
 D
 Greater than the sun
 It's not a negative thought
 But positive, positive, positive
 Gbm
 Falling down, not staying down
 D
 Coulda held me up
 Bm

Rather than tearing me down

[Refrão]

D Gbm
 Expecting perfection
 E
 Leaves a lot to ignore
 B7
 When the past is the present
 D
 And the future's no more
 Gbm
 When every tomorrow
 E
 Is the same as before

[Terceira Parte]

Bm
 Numbers keep falling off the
 E D
 Calendar's floor
 Bm
 We're stuck in the boxes
 E D
 When it's open no more
 Bm
 Could've lifted up they're forgetting us
 E D
 Not recalling what they're for
 Bm
 I'm in love with clairvoyants
 E D
 'Cause they're out of this world
 (D Gbm D Bm)

[Quarta Parte]

Gbm
 I know the girls wanna dance
 D
 Fall away their circumstance
 Gbm
 I know the boys wanna grow
 D Bm
 Their dicks, and fix and file things
 Gbm
 I know the girls wanna dance
 D
 Clairvoyants in a trance
 Gbm D
 I know the boys wanna grow
 Bm
 Their dicks and fix and file things

[Final]

Gbm
 Stand back when the spirit comes
 Stand back when the spirit comes
 D
 Stand back when the spirit comes
 Stand back
 Gbm
 Stand back when the spirit comes
