

Pearl Jam - Daughter Solo

Tom: C

key:
 pm = palm mute
 bend
 / or \ slide back/forth.
 p = pull off
 (H) = hold note

Listen here: <http://> - the tab I have here is a better way to play it then the recorded version I put up.
 Hey guys, I noticed nobodies tabbed out this neat lil solo, so here it is Enjoy!

1:46 ultimate-guitar spaced this wierd.. it's D--12h14-----
 -12h14-----
 the whole way through

this next part sounds sorta muffled. if you listen to the song it's kinda tough to hear exactly what he's doing. So I just kinda palm mute some of the following notes and play this lil lick over that muffled section.

1:52
 e-->
 B--> Play this lil lick twice.. pm etc
 G-->

Okay this parts really neat, heres how I play it.
