

Pearl Jam - Go

Tom: **G**

Versão 1

From: Planettelex
All in all a pretty easy rhythm section
I think all the complication in this song is within the speed and timing.

I might think about it! Tabbed by John Faulding.
Intro: (w/random pickings):

```

-----
---5\8--- Slide Up           -----x--- Dead           -----p--
Pop                           -----7--
-----
---5\8--- Slide Down       ----- Note           --s-----
Slap                           -----           --5-----

-----
---5~--- Vibrato           ||-----|| Repeat      -----
Bend                          ||----||                ---5 ---

-----
-----                     ||----||                -----
-----                     ||-----||              -----

-----
-4:----- Time            -----
-4:----- Signature       -----
-----                     -----

```
