

# Pearl Jam - Gone

Tom: C  
Intro:

out of this town

Pre-Chorus

Verse:

For the lights of the city they only look good when I'm speeding

For the lights of the city they have lost all their feeling

V1 No more upset mornings  
more trying evenings

no

feels

When the gas in my tank  
like money in the bank

I want to leave it all behind me 'cause

V2 In the far off distance  
tail lights fade

as my

this time

I'm

Feel like a question is forming  
and the answer's far

Chorus:

disbelieving This American dream I

am

Goin'

I'm gone

I'm

one last ride I'm gonna blow it all this time

take me

goin'

this time

this

will some day No one thinks to witness

but they

Ohhh

time I'm

I will be what I could be

once I get

Goin'

for it

Gone

## Acordes
