

Pearl Jam - Gone

Tom: C
Intro:

out of this town

Pre-Chorus

Verse:

For the lights of the city they only look good when I'm speeding

V1 No more upset mornings
more trying evenings
When the gas in my tank
like money in the bank
V2 In the far off distance
tail lights fade
Feel like a question is forming
and the answer's far

no feeling
feels
as my
I want to leave it all behind me 'cause
this time
I'm

Chorus:

disbelieving This American dream I am
one last ride I'm gonna blow it all this time take me
will some day No one thinks to witness but they
I will be what I could be once I get

Goin' I'm gone I'm
goin' this time this
Ohhh
time I'm
Goin' for it
Gone
