 I scrape

 I'm so high I hold just one breath here within my chest - Just  
 like innocence

 Up here so high the boughs they break - Up here so high the  
 sky I scrape

G A E G  
 Had my eyes peeled both wide open, and I got a glimpse

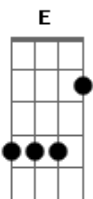

G  
 Of my innocence... got back my inner sense..., Baby got it,  
 still got it

( E Abm A B ) (4x)
