## **Pearl Jam - Soldier of Love**

```
Intro:
                                                               'Cause my love baby, is the truest you've ever had.
                                                                           В
                                                               I'm a Soldier of Love, that's hard to beat.
Lay down your arms and surrender to me
                                                               Lay down your arms and surrender to me Yeah.
              Dbm
                                                                             Dbm
Lay down your arms and love me peacefully Yeah.
                                                               Lay down your arms and love me peacefully Yeah.
Use your arms for squeezin' and please I'm the one that loves
                                                               Use your arms to hold me tight. Baby, I don't wanna fight no
you so.
                                                               more
                                                               Dbm
There ain't no reason for you to declare
                                                               Use your arms to hold me tight. Baby, I don't wanna fight no
         В
War on the one who loves you so.
                                                                                   Dbm
So forget the other boys because my love is real.
                                                               Baby, lay down your arms.
       В
Come off your battlefield.
                                                               Baby, lay down your arms.
                                                                                 Dbm
                                                               Baby, lay down your arms.
Lay down your arms and surrender to me Yeah
          Dbm
                                                               Baby, lay down your arms.
Lay down your arms and love me peacefully Yeah.
                                                                                   Dhm
                                                               Baby, lay down your arms.
Dbm
Use your arms for squeezin' and please. 'Cause that's the way
                                                               Baby, lay down your arms.
it's gotta be (ooh-)
                                                               Baby, lay down your arms.
                        Ah
The weapons you're using are hurtin' me bad.
                                                                 (Please) baby, lay down your arms.
                                                                                                     Tchá Tchá Tchá
But someday you're going to retreat.
