

# Pearl Jam - Someday At Christmas

Tom: **A**

Played w/ slight variation throughout. Tried to get the chords lined up as best as possible. At the "One happy morning, people will care," I changed the chord played from xxx666 to xx11-10-11x because of the slide up the neck. It's the same chord so if you prefer the xxx666 (and its position after key changes), playing it like that is just fine (both chords are identical).

G2 plays a lot of Wah filler/noise throughout the song.

Intro:  
G2

with toys. One warm December our hearts will see a world where we are

free. Someday at Christmas there'll be no wars when we have learned what

Christmas is for, when we have found what life's really worth there'll be

peace on Earth. Someday all our dreams will come to be. Someday in a world

where we can love free. Oh, maybe not in time for you and me but someday

at Christmas time. Someday at Christmas we'll see a land: no hungry

children, no empty hands, one happy morning people will share a world

where people care. Someday at Christmas there'll be no tears when all

of us are equal and live without fears. One shining moment, one cry away

for our world today. Someday all our dreams will come to be. Someday in a

(w/ some heavy Wah)

world where minds will be free.. oh, maybe not in time for you and me. But

someday at Christmas time. Someday at Christmas men will not have failed.

(G2 plays an open **G** at this change)

Hate would be gone and love will prevail. Someday a new world that we can

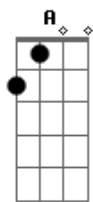

all start with hope in every heart. Someday at Christmas..

someday at Christmas time. .. someday

at Christmas time..

G2
