**B** Sorry is the fool who trades his soul for a corvette.  
**Gb7** Thinks he'll get the girl he'll only get the mechanic.  
**Abm** What's missing? He's living a day he'll soon forget.  
**E** That's one more time around. The sun is going down.  
**Eb** The moon is out but he's drunk and shouting.  
**Abm** Putting people down. He's pissing. He's living a day he'll soon forget.  
**E** Counts his money every morning. The only thing that keeps him horny.  
**Gb7** Locked in a giant house that's alarming.  
**E** The townsfolk they all laugh.  
**B** Sorry is the fool who trades his love for hi-rise rent.  
**Gb7** Seem the more you make equals the loneliness you get.  
**Abm** And it's fitting. He's barley living a day he'll soon forget.  
**E** That's one more time around and there is not a sound.  
**Eb** He's lying dead clutching Benjamins. Never put the money down.  
**E** He's stiffening. We're all whistling a man we'll soon forget.
