

Pearl Jam - Stupid Mop

Tom: **E**

This is a really basic tab because frankly this song doesn't deserve too much of my time
I've added times as a reference point

G1 0:00 let ring

G2 feedback

Both guitars feedback with volume swells and tremolo bar for awhile

G2's feedback melody, starts at about 0:25

G2 feedback continued (1:09)

About 1:24 G1 plays this a bunch while G2 continues to feedback

G1-2:04
guitars

More random feedback from both

More noise and feedback.....

At about 4:30 G2 fiddles around with these notes for awhile

This is not exact...

Continue randomly...

About 5:33 G2 does this etc...fade into noises

More random noises/feedback for awhile.....

Feedback at this pitch ends the song
