

Pearl Jam - Swallowed Whole

Tom: G

Intro D C

D
I can feel the dawn
I can feel the Earth
I can feel the living all around
Round, round, round
All around, round, round, round

D
I could choose a path
I could choose the word
I can start the healing
Bring it now, now, now, now
Bring it now, now, now, now

Am C Em
Whispered songs inside the wind
Breathing in forgiveness
Like vibrations with no end
Hear the planet humming
What is clear far from the noise
D
Get swallowed whole

D
I could feel the sun
I can see the sound
I could set myself right here and drown,
Drown, drown, drown
Drown, drown, drown, drown

D
I can feel the rush
I could clear the clouds
I could set the needle, spin it loud
Loud, loud, loud
Loud, loud, loud, loud

D
I can hear the crash
I can feel the pound
I can feel the current pulling down

Down, down, down,
Down, down, down, down

Am C Em
Whispered songs inside the wind
Breathing in forgiveness
Like vibrations with no end
Hear the planet humming
What is clear far from the noise
D
Get swallowed whole

Am Em D C
With no quiet to be found
Spirit lifted off the ground
An what lies beyond the grave
Might be welcome change
Time will come, come what may
With now rest in peace
Until that day
