

# Pearl Jam - Swallowed Whole

Tom: G

Intro D C

D  
I can feel the dawn  
I can feel the Earth  
I can feel the living all around C  
Round, round, round  
All around, round, round, round

D  
I could choose a path  
I could choose the word  
I can start the healing  
Bring it now, now, now, now C  
Bring it now, now, now, now

Am C Em  
Whispered songs inside the wind  
Breathing in forgiveness D Am  
Like vibrations with no end C Em  
Hear the planet humming D Am  
What is clear far from the noise C Em  
Get swallowed whole D

D  
I could feel the sun  
I can see the sound  
I could set myself right here and drown, C  
Drown, drown, drown  
Drown, drown, drown, drown

D  
I can feel the rush  
I could clear the clouds  
I could set the needle, spin it loud C  
Loud, loud, loud  
Loud, loud, loud, loud

D  
I can hear the crash  
I can feel the pound  
I can feel the current pulling down C

Down, down, down,  
Down, down, down, down

Am C Em  
Whispered songs inside the wind  
Breathing in forgiveness D Am  
Like vibrations with no end C Em  
Hear the planet humming D Am  
What is clear far from the noise C Em  
Get swallowed whole D

Am Em D C  
With no quiet to be found Am Em  
Spirit lifted off the ground D C  
An what lies beyond the grave C D  
Might be welcome change G C  
Time will come, come what may D  
With now rest in peace

Until that day

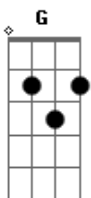

D C (2x)

D  
I could choose a path  
I could choose the word  
I can start the healing, bring it now C  
Now, now, now  
Now, now, now, now

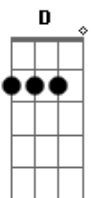

D  
I could be the sun  
I can be the sound  
I could set myself right here and drown, C  
Drown, drown, drown  
Drown, drown, drown, drown

Am C Em  
Whispered songs inside the wind  
Breathing in forgiveness D Am  
And the chapter I've not read C Em
