

# Pearl Jam - Thin Air

Tom: E  
Intro: E

[Verso]

There's a light when my baby's in my arms  
There's a light when the window shades are drawn  
Hesitate when I feel I may do harm to her  
Wash it off cause this feeling we can share

[Refrão]

And I know she's reached my heart  
In thin air

[Verso]

Byzantine is reflected in our pond  
There's a cloud but the water remains calm  
Reaching in the suns fingers clutch the dawn to pass  
Even out it's a precious thing to bear

[Refrão]

And I know she's reached my heart

In thin air  
Yes I know she's reached my heart  
In thin air

[Ponte]

It's not in my past to presume  
Love can keep on moving in both directions  
How to be happy and true  
Is the quest we're taking on together  
Taking on, on, on, on, on  
Taking on, on, on, on, on

There's a light when my baby's in my arms  
And I know she's reached my heart  
In thin air  
And I know she's reached my heart  
In thin air  
And I know she's reached my heart  
In thin air  
Yes I know she's reached my heart
