

Pearl Jam - Thin Air

Tom: E
Intro: E

[Verso]

There's a light when my baby's in my arms
There's a light when the window shades are drawn
Hesitate when I feel I may do harm to her
Wash it off cause this feeling we can share

[Refrão]

And I know she's reached my heart
In thin air

[Verso]

Byzantine is reflected in our pond
There's a cloud but the water remains calm
Reaching in the suns fingers clutch the dawn to pass
Even out it's a precious thing to bear

[Refrão]

And I know she's reached my heart

In thin air
Yes I know she's reached my heart
In thin air

[Ponte]

It's not in my past to presume
Love can keep on moving in both directions
How to be happy and true
Is the quest we're taking on together
Taking on, on, on, on, on
Taking on, on, on, on, on

There's a light when my baby's in my arms
And I know she's reached my heart
In thin air
And I know she's reached my heart
In thin air
And I know she's reached my heart
In thin air
Yes I know she's reached my heart
