

Pearl Jam - Throw Your Arms Around Me

Tom: E

Standard Tuning-EADGBE

Intro: - E A E B

Verse 1

I will come to you at daytime, I will wake you from your sleep,

I will kiss you in four places, As I go running down your street,

And I will squeeze the life right out of you, I will make you laugh and make you cry,

And we may never forget it, As I make you call my name, as you

shout it, to the blue summer sky

Chorus

And we may never meet again, so shed your skin lets get started,

And you will throw-- your arms around me! (2X)

Verse 2

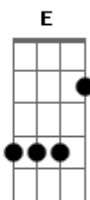

I will come to at night-time, I will climb in to your bed,

I will kiss you in a hundred and ninety-five places, as I go swimming round in your head,

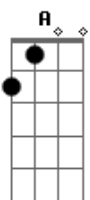

Chorus

And you will thro---w, And you will thro---w, and you will thro---w, your arms.....around me!
