

# Pearl Jam - Wreckage

tom:

G

[Primeira Parte]

Visited by thought, another darkened day  
 How you are like the Sun hiding somewhere beyond the rain  
 I'm needing for the light, stormy is the grey  
 Rivers overflowing, drowning all our yesterdays

Visited by thoughts on another darkened week  
 How even every winner hits a losing streak  
 The mistakes we all make and perfectly repeat  
 Chains are made by DNA refusing, refusing to release

( G Bm Em D )

[Segunda Parte]

Combing through the wreckage, pouring through the sand  
 Surrounded by the remnants, what we could and couldn't have  
 Raking through the ashes falling through my hands  
 Charcoal on the faces in the burned up photographs

Oh, visited by thought And this I got to say  
 If you're feeling the leaving I can't make you stay  
 I've only ever wanted For it not to be this way  
 But you're now like the water And the water will find its way

[Refrão]

Combing through the wreckage  
 Holding out, holding on  
 Combing through the wreckage  
 Combing through the wreckage  
 ( G Bm Em D )  
 Oh, visited by thoughts and not just in the night  
 That I no longer give a fuck who is wrong and who's right  
 This game of winner takes all and all means nothing left  
 Spoils go the victor and the other left for dead

Uh-huh, combing through the wreckage  
 Holding out, holding on  
 Combing through the wreckage

( C2 G )  
 Combing through the wreckage  
 Holding out, holding on  
 Holding out, holding, holding  
 Holding on

( C2 G Em D )  
 Combing through the wreckage  
 Combing through the wreckage  
 Falling through the wreckage

[Final] C2 G
