

Pedra Letícia - All For You

```
Tom: G
Finally I figured out, but it took a long long time \begin{picture}{lll} Am & D & Am & D \end{picture}
And now there's a turnabout, Maybe cause I'm trying
There's been times, I'm so confused
Am Em Am
All my roads, They lead to you
Em Am
I just can't turn, And walk away...
                                               G
It's hard to say, What it is I see in you
              C Am D G
Wonder if I'll always, Be with you
G C Am D G But words can't say, And I can't do
G C
                    Am D G
Enough to prove, It's all for you
Am D C C I thought I'd seen it all, 'Cause it's been a long long
                  D
 But then we'll trip and fall, Wondering if I'm blind
