

Pedro Boi - Passarim Canoro

Tom: E
Intro: A7M B Abm7 Dbm7 Gbm7 B7 E A B7 E B7

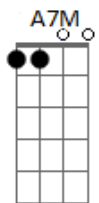

Passarim canoro sabe onde é que moro
Lá onde o vento faz a curva
Esconde o cisco
Grande Sertão, Veredas
Barrancas do São Francisco

Longe de casa eu não fico bem
Sempre me falta algo
Sempre me falta alguém

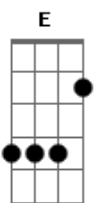

Lá eu deixei um pedaço de mim
Um amor tão imenso que as vezes penso
Ser igual Riobaldo e Diadorim
Coração de veredas, aberto
Basta o amor passar perto
E vai assim...

Se você me pedir, deponho as armas
Acabo com a guerra e faço trégua
Uma trégua sem fim
