

Pedro e Manoel - Amanhecer

Tom: D

Intro: D7M G D7M G

D7M G D7M G
 Escura noite vem e vento bate na janela
 G7M C G7M C D7M
 Chuva e trovões alagam os becos do meu coração
 G D7M G
 Já não sei mais se posso desviar dos pingos
 G7M C G7M C Bm
 Onde está o sol? Preciso me abrigar dos medos

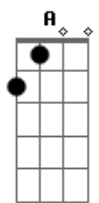

C7M
 Densas nuvens já tomaram o céu
 Bm
 E a água fria já alcançou meus pés
 C7M
 estou longe de casa

Interlúdio: (Em7 A Em7 F7M)
 G7M C G7M C
 E quando parece que não há o que fazer

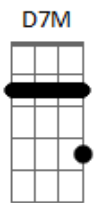

C7M F7M
 Então eu ouço um sussurrar
 C7M F7M
 Voz que acalma a tempestade
 G7M C G7M C
 Só ai percebi que por trás das nuvens
 C7M F7M
 está a estrela da manhã
 C7M F7M (A A7M D)
 Luz que aquece a esperança

A A7M D
 O sol já vem
 A7M D
 Enfim amanheceu
 A7M D
 O verde já pode ser visto
 A7M D
 Não temo mais, não
 A7M D
 pois já encontrei abrigo
