

Pedro e Thiago - Toque De Mágica

Tom: C

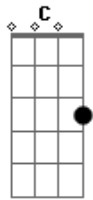

Quando a noite chegar, to pensando em você
 Quando o sol acordar, to pensando em você
 Se o coração chorar, to pensando em você
 Se o amor me encontrar, to pensando em você
 Olha pra mim, tente entender
 Haja o que houver eu não vou te esquecer
 Vou parar o mundo pra você, todas as estrelas te trazer
 Um toque de mágica, baby

Vou rodar o mundo pra encontrar, o sonho mais lindo pra te dar
 Um toque de mágica, baby
 (repete tudo)
 (solo) G D F G
 Vou parar o mundo pra você, todas as estrelas te trazer
 Um toque de mágica, baby
 Vou rodar o mundo pra encontrar, o sonho mais lindo pra te dar
 Um toque de mágica, baby (2x)
