

Pedro Emílio - Você

tom:

B (forma dos acordes no tom de G)

Capostrate na 4ª casa

Logo você que nem me conhece

É quem eu quero conhecer

Porque você que não me quer

Eu insisto em querer

Sigo inconstante

Entre o fundo e o raso

De poder sentir

Cada cacho da beleza desses traços

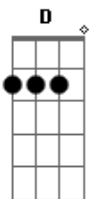

Que quando se encontram tratam

De me desmontar por você

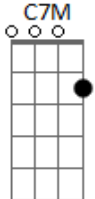

(G D Em)

(G D C)
