

Pedro Luan - Assim Será

E tom:

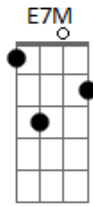

Vem cá, quem sabe pra me ver
 Sem empurrar nossas paredes
 Vou já, quem sabe pra te ter
 Abrir um pouco as janelas
 Deixar o vento correr

0 azul do céu se apoia no mar
 Olhar o mundo ceder e a luz do sol entrar

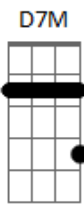

0 que tiver pra nós eu quero ver
 Seja poema, seja carnaval

Onde a certeza esconde o amor: a ponte entre nós
 Assim será
