                          tom:
                    Dbm

                Dbm
What you gotta say for me
Abm
What you gotta do for me (oh no)
Gbm
What you gotta say for me
G7
Is that you aint okay when you say I may

Dbm
I know that you have been today
Abm
With so much things to say
Gbm
You look at me away
G7
You keep me strong

You keep me alive

Dbm
```
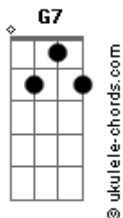

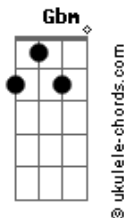

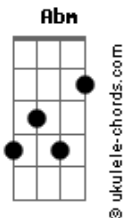

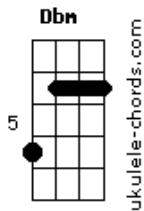

```
I know I got some high that day
Abm
I saw you in my dreams all day
Gbm
I saw you in my dreams all night
G7
I saw you in my dreams
Dbm
If you look at me and say
Abm
Fuck that its all okay
Gbm
I know that is not true
       G7
I know that you
          Dbm
Is not enough for me
      Abm
Its not enough
       Gbm
Its not enough
       Abm
Its not enough for me
```
