

PedroLeal - Someday

tom:

C

Am

I ve got some friends who are

Honestly bad

You shouldn?t try

To realize

And if somebody else

Ain?t put me back to life

They shouldn?t try

Am

Cause I hope that u

Ain?t gonna be so

E7

I hope that u ain?t gonna be so

Am

I hope that u ain?t gonna be so bad

Am

And I wish that you it wasn't so close

And I wish it wasn't so strong

I wish it wasn't so bad was it was

I hope that someday

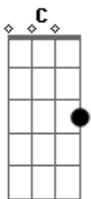

Youre not gonna be so far away

I hope that someday

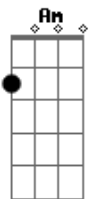

Youre not gonna be so far away

You just gotta be good for yourself
 You don't need to be bad to anyone else
 You don't need to worry about it
 Coz all the time have been righten before
 And Watch out

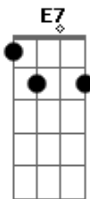

Acordes

Watch out man!

I ve got some friends who are

Honestly bad

You shouldn?t try

To realize

And if somebody else

Ain?t put me back to life

They shouldn?t try

Coz we always try to do some new things

Always try to do some shit things

Always tryna do some good news

And I wish that you it wasn't so close

And I wish it wasn't so strong

I wish it wasn't so bad was it was

I hope that someday

Youre not gonna be so far away

I hope that someday

Youre not gonna be so far away

Cause I hope that u

Ain?t gonna be so

I hope that u ain?t gonna be so

I hope that u ain?t gonna be so bad
