 If that's the way it's gonna be  
 Leave your shiny yellow key on the doorstep  
 And start burning up your ties  
 And take your cold hard cash, and the shirt right off my back  
 I don't mind, 'cause I'm gonna set this house on

 Don't have to hit below the belt

 No, you don't have to kiss and tell  
 Am C G D  
 Cause you're only gonna hurt yourself

Am C G D  
 The minute that I walk in, you're trying to hold me down  
 Am C G D  
 Tryna' sink your claws in, 'til I'm face flat on the ground

Am C  
 Don't know what you've been drinking

G D  
 Every time you come around

Am C D  
 So let me do wn
