

Penelope Scott - American Healthcare Glitzy

tom:
 Em
 When i was seven years old
 G
 I saw a dead man in the road
 D
 Outside the liquor store
 G
 A?few?blocks from my?school
 Em
 Well he was cold and he was?warm
 G
 He looked the damn same as before
 D
 Except for something in the eyes
 G
 And a bit of drool
 C D
 Well people die every day
 G B Em
 I wouldn't have it any other way
 C
 I just think they should feel good
 B
 While they are alive
 C D
 I went to school i got good grades
 B B Em
 I don't know you want me to say
 C D G
 Tell me faster 'cause you're running out of time
 C D G Em
 I wanted to help people
 C D Em E
 I thought that i could save the sick
 C D
 And if it's all the same to you
 B B Em
 There's one more thing i gotta do
 C
 Because with god as my witness
 D
 You corporate fucking prick
 B Em
 I did not become a doctor just
 B Em
 To suck the devil's dick
 Em
 I made it through all four years
 G
 And then almost a decade more
 D

I asked the right questions
 G
 And never even really got bored
 Em
 They hired me in my hometown
 G
 And then again when i moved away
 D
 People liked me back then
 G
 What can i say?
 Em
 It was the government
 G
 The companies, bureaucracy
 D G
 The lobbyists, the congressmen, and lies
 Em
 They trickled into both my ears
 G
 And got louder over the years
 D G
 Until all that i could hear was fucking flies
 C D
 Well people die every day
 G B Em
 I wouldn't have it any other way
 C
 I just think they should feel okay
 B
 While they're alive
 C D
 How could they ever feel okay
 B B Em
 When things are more and more this way?
 C D G
 Sometimes it's like they'd rather die
 C D G Em
 I fucking helped people
 C D Em E
 I thought that i could do the trick
 C D
 And if it's all the same to you
 B B Em
 There's one more thing i got to do
 C
 Because with god as my witness
 D
 You corporate piece of shit
 B Em
 I did not become a doctor just
 B Em
 To suck the devil's dick
