

# Penny Dreadful - Lullaby

Tom: Ab

(forma dos acordes no tom de G )  
Capostrate na 1ª casa

When I was young <sup>Am</sup>  
And scared of the Lord <sup>C</sup>  
My mother would sing me a song <sup>G</sup> <sup>Am</sup>  
A tune that I keep in a sacred place <sup>Am</sup>  
Cause I know that my life won't be long <sup>G</sup> <sup>Am</sup>  
It tells of the place where you go <sup>Gbm</sup> <sup>C</sup>  
When your time here on earth is through <sup>G</sup> <sup>Am</sup>  
A beautiful place we call heaven <sup>F</sup> <sup>C</sup>  
Is it true <sup>Em</sup>  
Please God I pray that it's true <sup>Am</sup>  
'Cause once this land was heaven on earth <sup>Am</sup> <sup>C</sup>  
Green hills were all you could see <sup>G</sup> <sup>Am</sup>  
But now it's soot and steel and brick <sup>Am</sup> <sup>C</sup>  
<sup>G</sup> <sup>Am</sup>

So it looks more like hell to me  
And each day brings more and more suffering <sup>F</sup> <sup>C</sup>  
And each night is silence and fear <sup>G</sup> <sup>Am</sup>  
And I wake to the sound of your voice <sup>F</sup> <sup>C</sup>  
But you're not here <sup>Em</sup>  
Why aren't you here? <sup>Am</sup>  
So now I lay me down to sleep <sup>Am</sup> <sup>C</sup>  
I pray the lord <sup>G</sup>  
My soul to keep <sup>Am</sup>  
Please let me die before I wake <sup>Am</sup> <sup>C</sup>  
So the Lord my soul, can take <sup>G</sup> <sup>Am</sup>  
Then maybe I'll finally find you <sup>F</sup> <sup>C</sup>  
'Midst the beauty of paradise <sup>G</sup> <sup>Am</sup>  
And you'll sing not of dying <sup>F</sup>  
But living <sup>C</sup>  
Wouldn't that be nice? <sup>Em</sup>  
Wouldn't that be nice? <sup>Am</sup>
