

Pentakill - Lightbringer

tom:

Intro: Am A7 G
Am Dm7 Am7

[primeira parte]

Fellow armsmen, i ask you

Will you follow me tonight to break their spine

And reclaim what once was mine?

Those cravens backstabbed me, deceived me

Never shall i tolerate their crimes again

Now let the hunt begin, oh

7000 souls, scared and daunted

Such a tale of woe

Not too long ago, this village

Was a golden scene of hope

[refrão]

Call down the reckoning

To bring back hope and peace

Restore our gloria

To liv? forever

Bring down the dark r?gime

I know how to unleash eternal power

Lead us to order

I am the lightbringer!

[segunda parte]

Fellow warriors, i ask you

Should my campaign come to an end?

There's way more to avenge

Fifteen million souls

Living in this realm without much hope

Not too long ago, this kingdom was a golden

State of hope

(E Am C)
(G2 Dm Am)

[refrão]

Call down the reckoning

To bring back hope and peace
