

Pentakill - Lightbringer

tom: G

Fellow armsmen, I ask you
 Will you follow me tonight to break their spine
 And reclaim what once was mine

Those cravens

Backstabbed me, deceived me
 Never shall I tolerate their crimes again
 Now let the hunt begin

7000 Souls, scared and daunted, such a tale of woe
 Not too long ago, this village was a golden
 Scene of hope

Call down the reckoning
 To bring back hope and peace

Restore our gloria
 To live forever

Bring down the dark regime
 I know how to unleash the eternal power

Lead us to order
 I am the lightbringer

Fellow warriors, I ask you
 Should my campaign come to an end
 There's way more to avenge

15 Million souls
 Living in this realm without much hope
 Not too long ago, this kingdom was a golden
 State of hope

Call down the reckoning
 To bring back hope and peace

Restore our gloria
 To live forever

Bring down the dark regime
 I know how to unleash the eternal power
 Lead us to order
 I am the lightbringer
