

## Pentatonix - Cracked

Tom: E

I broke something I'll never get, I'll never get back  
 Brought me to my knees  
 A head like steel and a soul of gold  
 And a heart that's made of glass  
  
 But mine's cracked, whoa!  
 Well, mine's cracked! Whoa!  
 Well, mine's cracked No idea where I'm going  
  
 But there's no looking back  
 'Cause I'm cracked! Whoa!  
  
 You stole something I'll never get, I'll never get back  
 You left a hole in me, oh lord!  
 Your halo's gone and all I see is horns  
 And a heart that's still intact  
  
 But mine's cracked, whoa!

Well, mine's cracked! Whoa!  
 Well, mine's cracked No idea where I'm going  
  
 But there's no looking back  
 'Cause I'm cracked! Whoa!  
  
 Fire, fire rising inside me  
 Liar, liar, treat me so bad  
 My, oh my, you hurt me so gladly  
 Why, oh why you do me like that  
  
 Whoa-oh-oh! 000ooooo-uh  
  
 But mine's cracked, whoa!  
 Well, mine's cracked! Whoa!  
 Well, mine's cracked  
  
 No idea where I'm going  
  
 But there's no looking back  
 'Cause I'm cracked! Whoa!  
 Whoa!
