

Pentatonix - Rose Gold

Tom: F

Intro: F C Am Dm

F
Started like a movie scene

C Am
Once upon a London street

Dm
Oh Oh...

F
Tried to play it like James Dean

C Am
Cigarettes in my sleeve

Dm
Oh Oh...

F
Like a myth, the story of our lives

C Am Dm
Couldn't fit in only black and white

F
If it's true that legends never die

C Am Dm
Me and you could stand the test of time

F C
We could be timeless, we could be classic

C Am Dm
We could be stars, we could be rose gold, rose gold

F C
We could be diamonds, we could be an anthem

C Am Dm
We could be stars, we could be rose gold, rose gold

F
Driving up the coast somewhere

C Am
Salt water in your hair

Dm
Oh, oh...

F

Too many people on this road

C Am
We could take the canyon home

Dm
Oh, oh...

Pre-Chorus:

F
Like a myth, the story of our lives

C Am Dm
Couldn't fit in only black and white

F
If it's true that legends never die

C Am Dm
Me and you could stand the test of time

F C
We could be timeless, we could be classic

C Am Dm
We could be stars, we could be rose gold, rose gold

F C
We could be diamonds, we could be an anthem

C Am Dm
We could be stars, we could be rose gold, rose gold

F
Like a myth, the story of our lives

C Am Dm
Couldn't fit in only black and white

F
If it's true that legends never die

C Am Dm
Me and you could stand the test of time

F C
We could be timeless, we could be classic

C Am Dm
We could be stars, we could be rose gold, rose gold

F
We could be diamonds

C Am Dm
Yeah, we could be rose gold, rose gold
