

# Pentatonix - Winter Wonderland / Don't Worry, Be Happy

Tom: Gb

[Intro] Gb Abm B Gb (2x)

Sleigh bells ring, are you listening,  
In the lane, snow is glistening  
The beautiful sight, we're happy tonight.  
Walking in a winter wonderland.

Gone away is the bluebird,  
Here to stay is the new bird  
He sings a love song, as we go along,  
Walking in a winter wonderland.

In the meadow we can build a snowman,  
Then pretend that he is Parson Brown  
He'll say: "Are you married?" We'll say: "No man!"  
But you can do the job when you're in town.

Later on, we'll conspire,  
As we dream by the fire

To face unafraid, the plans that we've made,  
Walking in a winter wonderland.  
Intro: In the meadow we can build a snowman,  
And pretend that he's a circus clown  
We'll have lots of fun with mister snowman,  
Until the other kid is knockin' him down.

When it snows, ain't it thrilling,  
Though your nose gets a chilling  
We'll frolic and play, the Eskimo way,  
Walking in a winter wonderland.

Here's a little song I wrote  
You might want to sing it note for note  
Don't worry, be happy  
(Don't worry be happy now)

Scatting with "Don't Worry, Be Happy" in the background (Intro Chords) x2

Don't worry, 'cause we're walking in a winter wonderland
