

Persona 3 - Kimi No Kioku

tom:
 Bm
 When the wind rings high and the light hits your eyes
 Time for one last ride?off?to dreamland
 Don't you?worry, I'll be here to remember?you, dear
 Your laugh, your smile, all your happiness, and your tears
 And it's hard some days (But I'll be okay)
 'Cause even when it's tough, you give me just enough
 So I can keep on goin
 When I close my eyes (And I dream at night)
 I feel you in my arms
 Safe and sound
 Here with me
 Everything we found
 Makes me sing
 Night after night you paved the way
 Put up the fight to save the day
 Now you?re a hero
 You brought the light that made today
 Perfect and bright, so dream away
 Now you?re an angel
 Sleeping in peace
 Baby, you'll be
 Surrounded by my love through all eternity
 Lay down your head and close your eyes
 Right off to bed to sleep tonight, I will be watchin?
 Thinking of you, the times we had
 All of the good and all the bad
 Never forgotten
 Seal it with a kiss
 Promise you this

Gbm G7M
 I'll love you till the end of time, forever
 (G7M Gbm G7M Gbm Bm A)
 G7M
 When I'm out downtown, I can still hear the sound
 Of a voice that sounds so familiar
 G7M
 Lift my head and turn around, you're nowhere to be found
 Just big blue sky and my teardrops on the ground
 G7M
 But I'll be okay (?Cause I know someday)
 That even though you're gone, I know it won't be long
 Bm A
 Til I can see you again
 G7M
 As the seasons change (In our special place)
 Gbm Bm A
 I'll wait right here for you
 G7M
 Won?t forget
 Gbm
 Any part
 G7M
 Every moment set
 Gbm
 In my heart
 G7M
 Who would have known that you would be
 Someone I'd hold so dear to me?
 You were a treasure
 Gbm
 Part of a life I spent with you
 Forever bright, forever true
 Always remember
 Em
 Road may be long
 G7M
 You stuck with me until the end
 We were a team, you were my friend
 You held me tight and
 Gbm
 Never let go, never let go, never let go
 It?s like you?re here right by my side

 You?re part of my soul
 I?m never alone
