

Pesadelo Brasileiro - Implore por Piedade

tom:

[Intro] D E D Db A

D Db B A Gb G

Nós vivemos com a morte

Somos filhos do azar

Não conte com a sorte

Vimos para matar

O ódio é nosso amigo

E andamos juntos a pregar

A dor em nossos inimigos

Que nosso caminho vier a cruzar

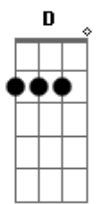

Reze, chore e implore por piedade

A morte vai te consumir é a realidade

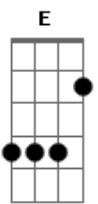

Empunhamos nossas armas a fim de massacrar

A matança não acaba enquanto alguém respirar
