Pete Murray - Bail Me Out

Tom: A :-) cheers!! G) Two weeks away from reality (com acordes na forma de Capostraste na 2ª casa And I was beginning to feel, Tabbed By: Kris Bahoudian I couldn't be myself, I feel like a fly caught in honey, i wanted to find a tab for it but after looking hard i Knowing that soon Somebody was going to see me realised that all of the tabs were wrong and espically not using a "CAPO". After Knowing that I probably going to die watchin the Bail me out vidio i attempted to tab it and i am 99.9% this is exactly Oh here we go again I'm so spent My head is spinning what Pete Plays in Oh can you bail me out of this rut the video after watching it about 1000friken times. Hope you enjoy its a easy I've got myself in once again Capo On Second Fret, All Chords Relative To Capo From the nightmares and my dreams I was beginning to feel, Intro: Verse (Same as Intro) I couldn't be myself Two weeks From reality I Was She was a little girl, To Feel She knew all about my world She was the legend on my dreams She could set me free Pre- Chorus Oh here we go again I'm so spent My head is spinning Chorus Oh can you bail me out of this rut I've got myself in once again Thats basically it. The verse's are exactly the same and the chorou'ses use a Oh here we go again I'm so spent My head is spinning ROCKS!!
