Tom: G
Intro: Em C G Am Em C G D

(G)

Well you broke me with your smile
And I'm captured now
Like I've just drank a thousand year potion
Mix your tears into my wine
Please hold my life
And let me know when you are back open

Refrão:

(Em C)

Please embrace my soul
While you find your way
However far you roam
In my heart you'll stay

(Em C G Am Em C G)

(G)

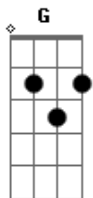

Well you burn me with your fire
Any faults you had
Were always hidden by your sweet devotion
Lord I hope you know I'm trying
These dark old clouds
Still cover me with doubts every moment

Refrão 3x:

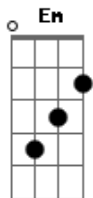

(Em C)

Please embrace my soul
While you find your way
However far you roam
In my heart you'll stay
You'll stay
